

Appendix 4. Profiles of the 10-, 2-, 1-, and 0.2-Percent Annual Exceedance Probability Floods for the Reservoir Brook, Vermont

Figures

- 4-1. Profiles of the 10-, 2-, 1-, and 0.2-percent annual exceedance probability floods for cross sections A through H of the Reservoir Brook in Bridgewater and Plymouth, Vermont 4-2
- 4-2. Profiles of the 10-, 2-, 1-, and 0.2-percent annual exceedance probability floods for cross sections I through P of the Reservoir Brook in Bridgewater and Plymouth, Vermont 4-3

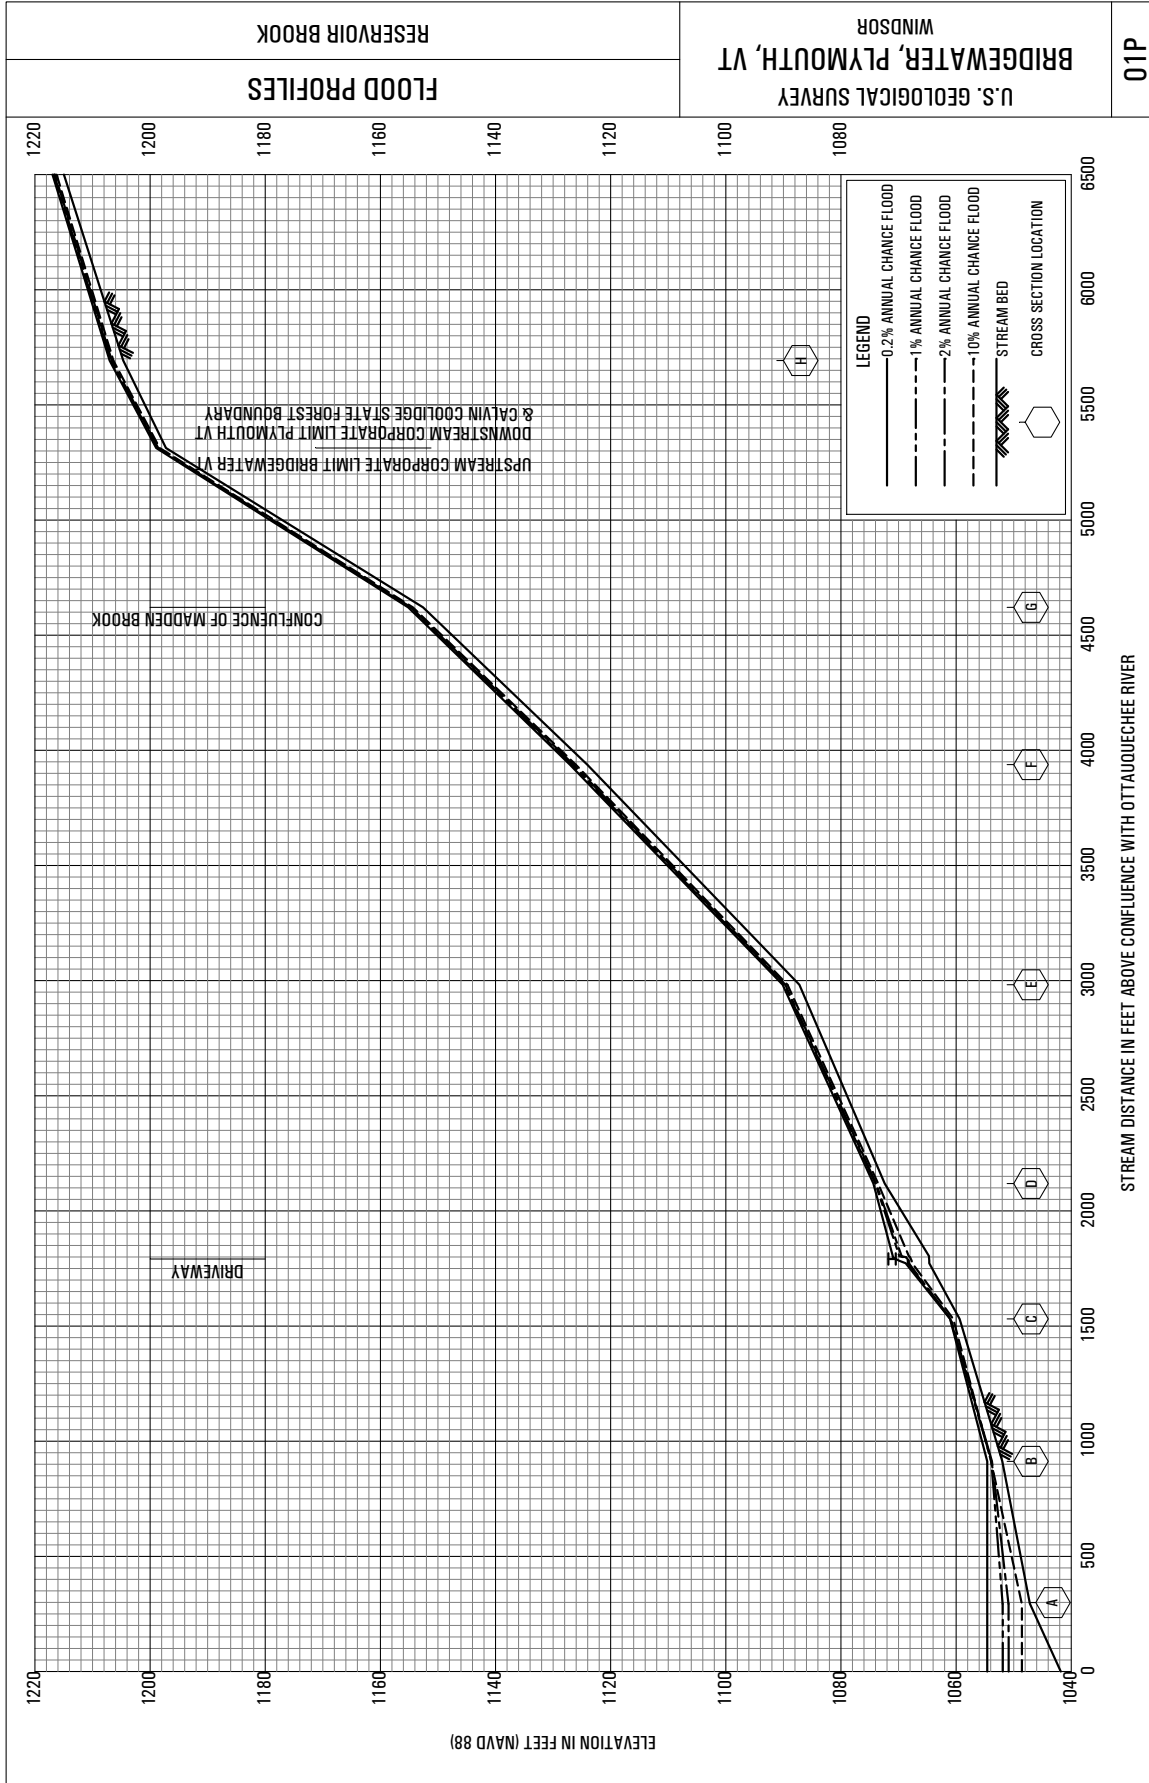

Figure 4-1. The 10-, 2-, 1-, and 0.2-percent annual exceedance probability floods for cross sections A through H of the Reservoir Brook in Bridgewater and Plymouth, Vermont. NAVD 88, North American Vertical Datum of 1988, %, percent.

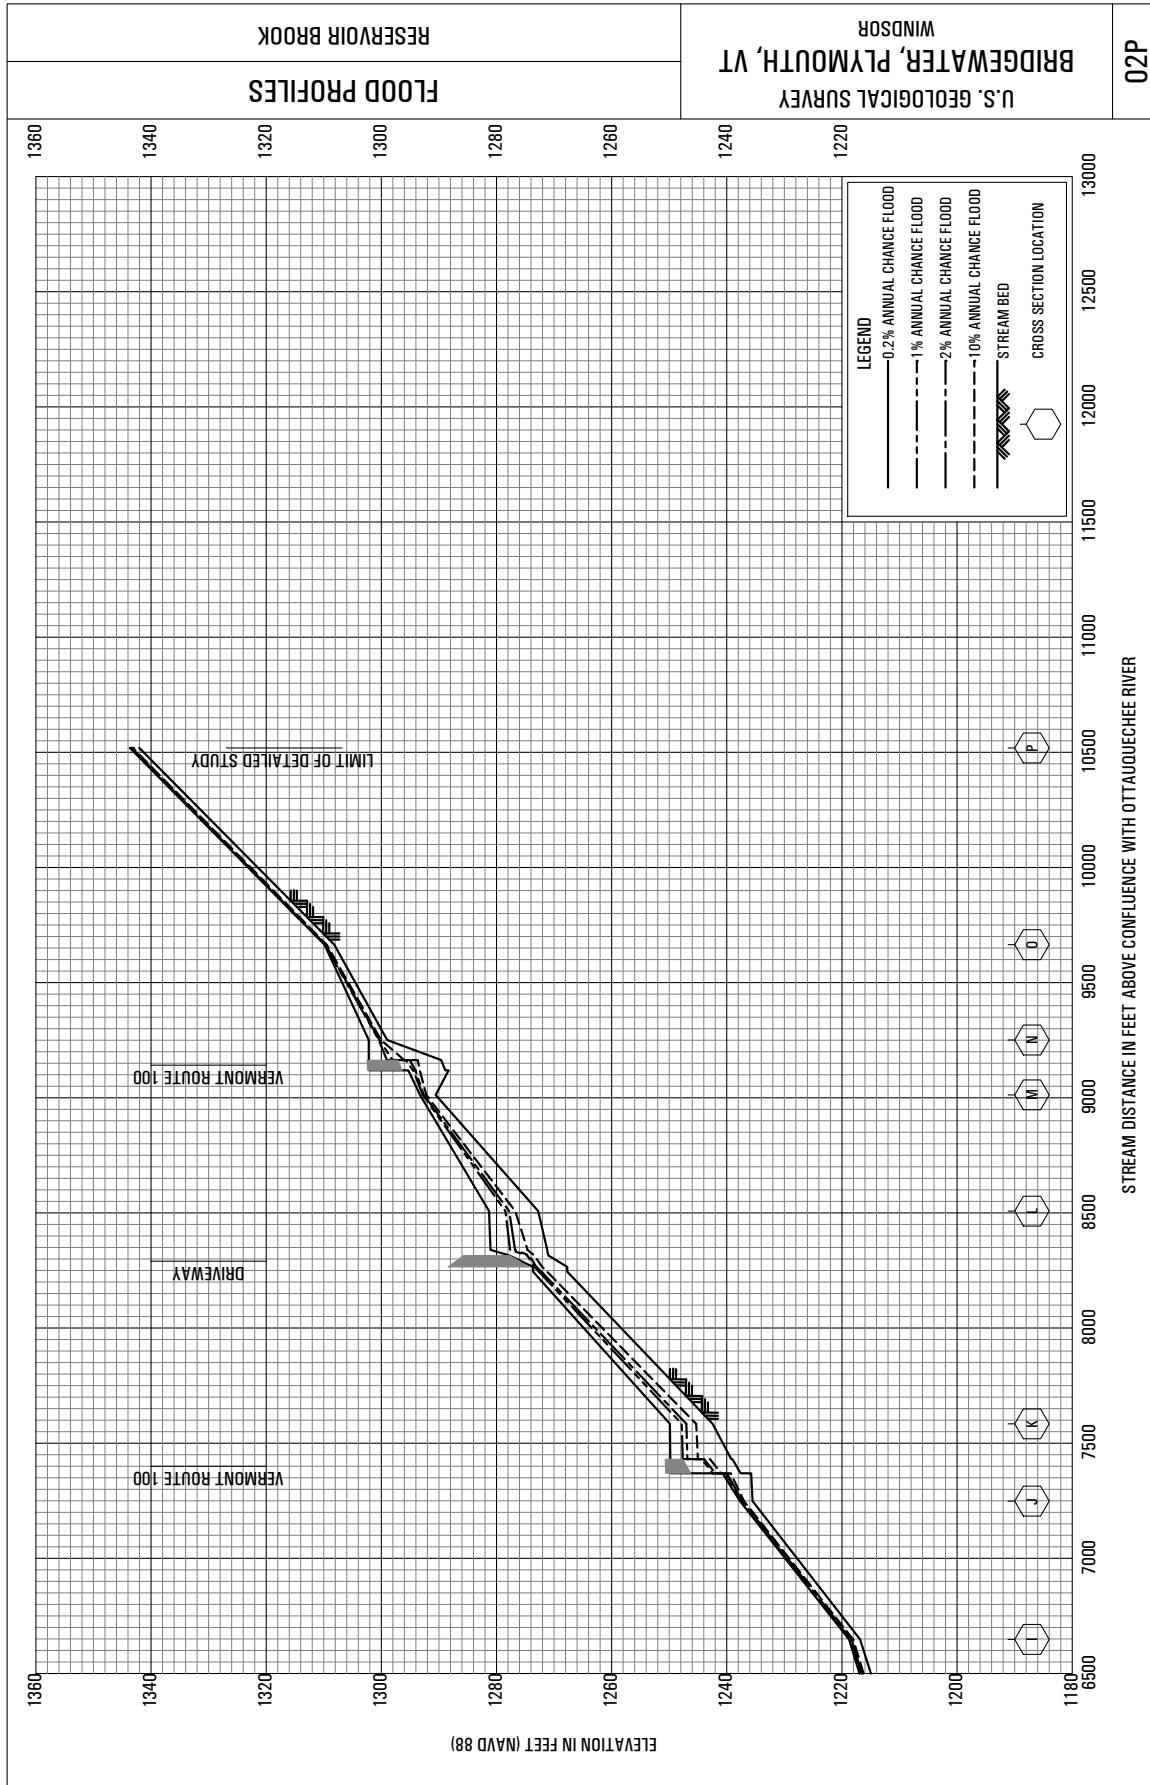

Figure 4-2. The 10-, 2-, 1-, and 0.2-percent annual exceedance probability floods for cross sections I through P of the Reservoir Brook in Bridgewater and Plymouth, Vermont. NAVD 88, North American Vertical Datum of 1988, %, percent.
