Water Science Field Team – West

December 21, 2015

MEMORANDUM

To: Brian V. Twining, Hydrologist, USGS, Idaho Falls, ID

From: Devin L. Galloway, WSFT–West Groundwater Specialist, USGS, Indianapolis, IN

Subject: AQUIFER TESTS—Review and Approval: “Aquifer test analysis, TAN-2271 and TAN-2272, Test Area North, Idaho National Laboratory, eastern Snake River Plain, ID”

The subject aquifer-tests package (Twining_AQTest_TAN2271_TAN2272_20151026_FINAL.docx, attached) is adequately documented and the analyses are technically sound. The subject aquifer tests are approved for release to the Aquifer Test Archive (ATA). Please archive the test package (report, data, analysis files, and supporting information) in the Idaho Water Science Center ATA, and enter the estimated hydraulic properties in NWIS.
