

Interpreted Seismic-Reflection Profiles Along the L-35A and L-36 Canals, Eastern Broward County, Florida

By
Kevin J. Cunningham, Jared W. Kluesner, Richard L. Wescott, Edward Robinson, Cameron Walker, and Shakira A. Khan
2017

Any use of trade, product, or firm names in this publication is for descriptive purposes only and does not imply endorsement by the U.S. Government.

This map was printed on an electronic plotter directly from digital files. Dimensional calibration may vary between electronic plotting and between X and Y directions on the same plotter, and paper may change size due to atmospheric conditions; therefore, scale and proportions may not be true on plots of this map.
