### Columnar Sections of the Sentinel Butte Member of the Fort Union Formation, and of the White River Formation

**Golden Valley and Slope Counties, North Dakota**

#### Table: Period, Formation, Member, Unit

<table>
<thead>
<tr>
<th>Period</th>
<th>Formation</th>
<th>Member</th>
<th>Unit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cenomanian</td>
<td>Blackfoot Group</td>
<td>Lower</td>
<td>Upper</td>
</tr>
<tr>
<td>Cenomanian</td>
<td>Blackfoot Group</td>
<td>Ute Creek</td>
<td>Upper</td>
</tr>
<tr>
<td>Cenomanian</td>
<td>Blackfoot Group</td>
<td>South Belknap</td>
<td>Upper</td>
</tr>
<tr>
<td>Cenomanian</td>
<td>Blackfoot Group</td>
<td>Tonga River</td>
<td>Upper</td>
</tr>
</tbody>
</table>

---

**Explanatory Notes**

- Description of columnar sections and stratigraphic units.
- Explanation of the geological features and characteristics.

---

**Diagram:**

Visual representation of the columnar sections, illustrating the stratigraphic sequence and geological relationships.

---

**Additional Information:**

- Source material and methodology used in the construction of the columnar sections.
- References and further readings for detailed study.

---

**Acknowledgments:**

- Contributions from various geological surveys and institutions.
- Support from funding agencies and organizations.

---

**References:**

- Scientific literature and reports related to the study area.
- Maps and charts depicting regional geological features.

---

**Plate:**

- Plate number and page reference for further visual data.
