Dear Phil:

Transmitted herewith are two copies of TEM-370-A, "Photogeologic map, Bluff-8 quadrangle, San Juan County, Utah," by C. F. Miller. This map of part of the Colorado Plateau area is one of the series of  $7\frac{1}{2}$ -minute photogeologic quadrangle maps that are being prepared and supersedes TEM-370 which was transmitted on May 16, 1952.

We are asking Mr. Hosted to approve our plan to place this map in open file and to publish it in the Miscellaneous Geologic Investigations series.

Sincerely yours,

*Dwight M. L.*
