Dear Bob:

Transmitted herewith are two copies of TEM-526-A, "Photogeologic map, Navajo Mountain-13 quadrangle, San Juan and Kane Counties, Utah, and Coconino County, Arizona," by R. J. Hackman. This map of part of the Colorado Plateau area is one of the series of 7½-minute photogeologic quadrangle maps that are being prepared and supersedes TEM-526 which was transmitted in February 1953.

We are asking Mr. Hosted to approve our plan to publish this map in the Miscellaneous Geologic Investigations series.

Sincerely yours,

for *John H. Eric*
