Dear Phil:

Transmitted herewith are two copies of TEM-607, "Airborne radioactivity survey of portions of the Defiance Uplift and Carrizo Mountains, Apache County, Arizona," by R. W. Johnson and R. M. Moxham, April 1953.

As discussed by V. E. McKelvey and you on August 6, 1952, we plan to open-file this report and distribute copies to the offices listed in the Commission press release of July 13, 1952 announcing the public release of data on airborne radioactivity surveys. We are asking Mr. Hosted to approve this plan.

Sincerely yours,

*for Dwight M. Lemmon*
