Dr. Phillip L. Merritt, Assistant Director
Division of Raw Materials
U. S. Atomic Energy Commission
P. O. Box 30, Ansonia Station
New York 23, New York

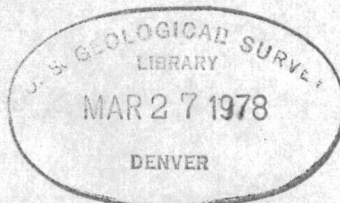

Dear Phil:

Transmitted herewith are ~~two copies~~ of TEM-611, "Airborne radioactivity survey of the West Lone Tree area, Uinta County, Wyoming," by J. L. Meuschke and R. M. Moxham, March 1953.

As discussed by V. E. McKelvey and you on August 6, 1952, we plan to open-file this report and distribute copies to the offices listed in the Commission press release of July 13, 1952, announcing the public release of data on airborne radioactivity surveys. Additional copies of the report will be posted at the Geological Survey offices in Laramie and Casper, Wyoming. We are asking Mr. Hosted to approve this plan.

Sincerely yours,

for *W. E. McKelvey*
W. H. Bradley
