Dr. Phillip L. Merritt, Assistant Director
Division of Raw Materials
U. S. Atomic Energy Commission
P. O. Box 30, Ansonia Station
New York 23, New York

Dear Phil:

Transmitted herewith are ~~two copies of~~ TEM-743, "Airborne radioactivity survey of parts of Baggs SW and Baggs SE quadrangles Carbon and Sweetwater Counties, Wyoming," by J. R. Henderson, January 1954. We plan to open-file this report and to distribute copies to the offices listed in the Commission press release of August 12, 1953 announcing the public release of data on airborne radioactivity surveys. A limited number of copies will also be available to those interested upon application to the Geological Survey in Washington. We are asking Mr. Hosted to approve this plan.

Sincerely yours,

Dwight M. Lemmon

for W. H. Bradley
Chief Geologist
