Federal Center, Denver, Colorado 80225

BIBLIOGRAPHY OF PUBLISHED REPORTS
BY U.S. GEOLOGICAL SURVEY PERSONNEL ON THE GEOLOGY AND HYDROLOGY
OF THE AMCHITKA SUPPLEMENTARY TEST AREA,
ALEUTIAN ISLANDS, ALASKA, 1969-72

(Amchitka-39)
Date Published: June 1973

Prepared Under
Agreement No. AT(29-2)-474

for the

Nevada Operations Office
U.S. Atomic Energy Commission

NOTICE

This report was prepared as an account of work sponsored by the United States Government. Neither the United States nor the United States Atomic Energy Commission, nor any of their employees, nor any of their contractors, sub-contractors, or their employees, makes any warranty, express or implied, or assumes any legal liability or responsibility for the accuracy, completeness or usefulness of any information, apparatus, product or process disclosed, or represents that its use would not infringe privately owned rights.
