

Base from U.S. Geological Survey State base map, 1979

EXPLANATION

OUTCROPS OF GEOLOGIC UNITS WITHIN NUMBERED COUNTY AREA. MULTIPLE GEOLOGIC SYMBOLS ON THE SAME OUTCROP AREA INDICATE THE OUTCROP CONTAINS AREAS OF MORE ACCURATELY DATED ROCKS--See Description of Map Units in pamphlet.

CONTACT
Dashed where indefinite or at limit of data.

MA-6
WELL THAT PENETRATED BASALTIC ROCKS--See Description of Map Units under appropriate county.

Outcrops mostly from Wilson and others, (1969), modified locally from individual geologic reports and from unpublished map by Robert Scarborough, Arizona Bureau of Geology and Mineral Technology

MAP SHOWING OUTCROPS OF PRE-QUATERNARY BASALTIC ROCKS, BASIN AND RANGE PROVINCE, ARIZONA
