* WELL DEPTH

EXPLANATION

- 25-250 Well location and well number.
- R — Monthly low water level from recorder. Periods of no record are identified for periods of more than three months.
- P — Periodic manual measurement. Periods of no record are identified for periods of more than one year.
- NR No record.

Latitude and longitude shown in well data table are in degrees, minutes, and seconds. Thus, 780367 is 78° 03' 67".

Water year is the 12-month period, October 1 through September 30. The water year is designated by the calendar year in which it ends. Thus, the year ending September 30, 1980 is termed the "1980 water year."
