Shoreline modified from the U.S. Geological Survey Sabana Grande, Puerto Rico, quadrangle from plane table surveys in 1935 and 1937, revised from aerial photographs taken in 1961, and field checked in 1966. Also from Yauco, Puerto Rico, quadrangle by photogrammetric methods from aerial photographs taken in 1941, field checked in 1943 and revised in 1966. Lambert conformal conic projection. Puerto Rico state plane coordinate system (Puerto Rico datum, 1940 adjustment).
