

Table 2. Location and construction of municipal wells, monitor wells, exploratory wells, and springs.
 [Well identifications in bold are monitor wells. Datum is mean sea level. --, no data]

Well field	Well identification	Date well drilled	Latitude North	Longitude East	Measuring point elevation (feet)	Hole bottom elevation (feet)	Casing bottom elevation (feet)	Casing inside diameter (inches)	Type of opening	Open interval elevation (feet)	Water-level elevation (feet)	Water-level date	Water-level time
