

R. 19 W.

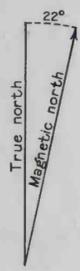

R. 18 W.

T. 30 N.

EXPLANATION

- 15
Direction and maximum electrode spacing of resistivity measurements
- ③
Seismograph profile center detector, direction and maximum distance of shooting
- C-C'
Line of cross section
- X 3587
Vertical angle bench mark
- Cross-sections along lines B-B' to G-G' shown on plate 11.
