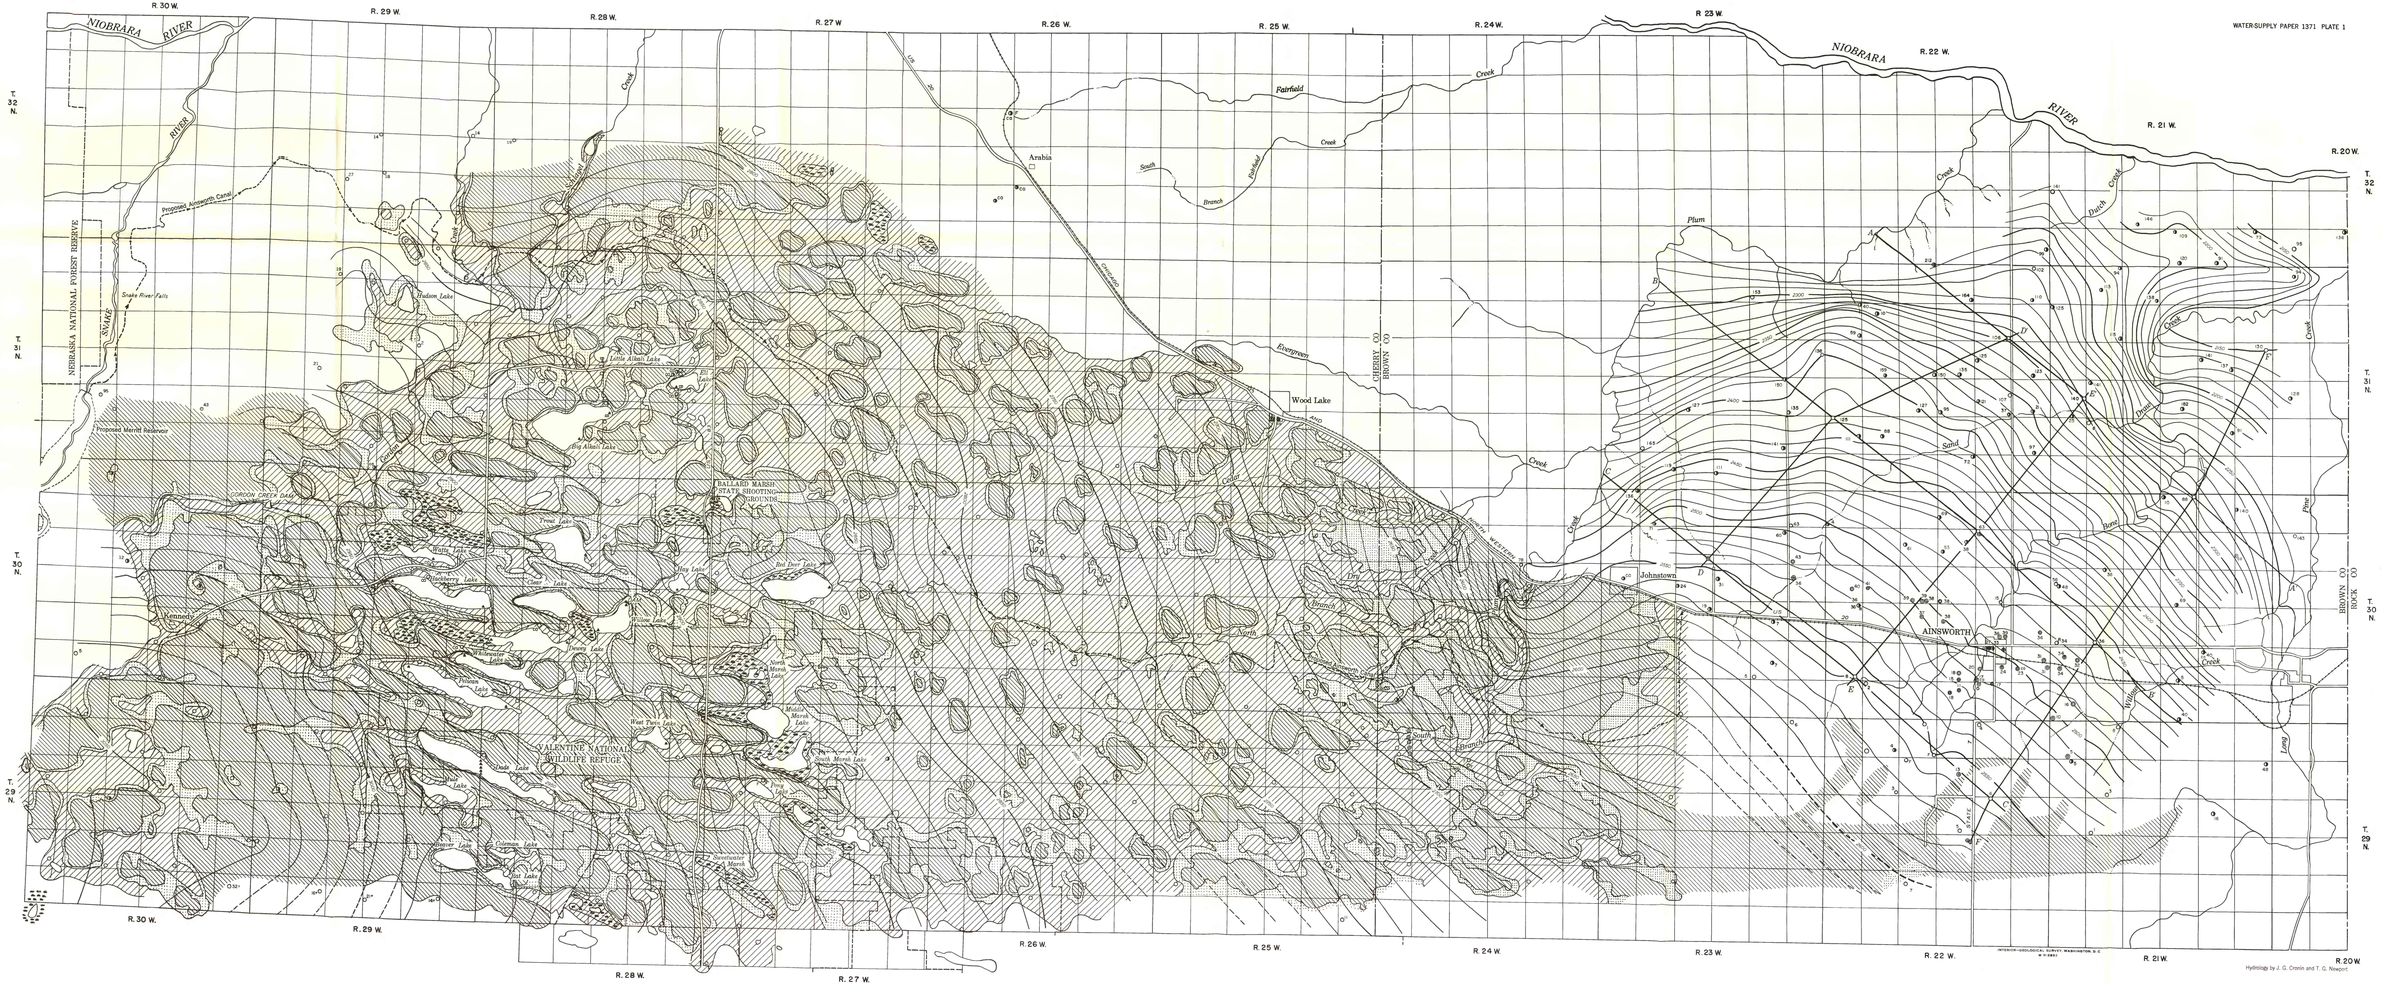
UNITED STATES DEPARTMENT OF THE INTERIOR
GEOLOGICAL SURVEY

WATER-SUPPLY PAPER 1371 PLATE 1



EXPLANATION

- Domestic or stock well
- Irrigation well
- Municipal-supply well
- Unused well
- Test hole
- F Flowing well
- R Water-level recording gage on well
- 15 Water sample collected from well for chemical analysis
- Water sample collected from lake for chemical analysis
- Staff gage (lake)
- Contour line on the water table
- A — A' Geologic sections

DEPTH TO WATER BELOW LAND SURFACE, IN FEET

- Less than 10
- 10-20
- More than 20
- Depth not mapped
- C 45 Depth to water below land surface, number indicates feet

MAP OF THE AINSWORTH UNIT IN CHERRY AND BROWN COUNTIES, NEBRASKA, SHOWING LOCATION OF WELLS, DEPTH TO WATER, AND CONTOUR OF THE WATER TABLE, 1952

0 10 Miles

Contour interval 10 feet
Datum is mean sea level
