

EXPLANATION

- 46 Domestic or stock well  
Number or depth to water, in feet, below land surface
- 24 Irrigation, public supply, or industrial well  
Number or depth to water, in feet, below land surface
- 15<sub>2</sub> Observation well  
Number or depth to water, in feet, below land surface

DEPTH TO WATER BELOW LAND SURFACE IN FEET

- Area of high evapotranspiration
- Less than 10
- 10-20
- 20-30
- 30-40
- 40-50
- 50-60
- 60-70
- 70-80
- 80-100
- 100-200
- More than 200
