

EXPLANATION

- C-1
Observation well
- Privately owned well
- $\frac{3136.01}{3135.6}$
Altitude of water level, in feet,
September 1, 1953
- $\frac{3135.6}{}$
Altitude of gravel surface,
in feet
- X $\frac{3151.3}{}$
Altitude of river surface,
in feet
- 3140 —
Contour line on the water table
Dashed where approximately located or inferred Datum is
mean sea level. Contour interval is 5 feet

INDEX MAP

Hydrology by E. A. Moulder and M. L. Klug
