

EXPLANATION

● 1410
Gaging station
Used in flood-frequency analyses

○ 2178
Gaging station
Not used in flood-frequency analyses

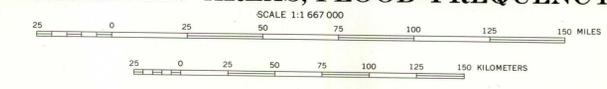

⑧
Hydrologic area

Ⓔ
Flood-frequency region

③③
Hydrologic area
Covering more than one flood-frequency region

④
Hydrologic area
Part of its boundary coincident with flood-frequency region boundary

MAP OF ST. LAWRENCE RIVER BASIN SHOWING HYDROLOGIC AREAS, FLOOD-FREQUENCY REGIONS, AND LOCATION OF GAGING STATIONS

Base from River Basin Maps, IACWR,
Subcommittee on Hydrology
